**IMPORTANT NOTE:** Prices are based on tariffs and airfares current at **31 May 18**. In this time of escalating prices and economic instability, it is impossible to predict accurately fluctuations in exchange rates or increases to cost elements of tours. Unfortunately SAGE does not have control of airfares, fuel, airport and airlines taxes and surcharges, hotel rates and other service provider tariffs. In the event of such fluctuations or increases affecting the prices which SAGE pay for transportation, hotel accommodation and other services, we reserve the right to adjust our prices as may be necessary at any time up to and including the day that final payment is made. We will do all in our power to avoid this however at times it will be completely out of our control. SAGE delegates will always be kept informed of potential rises or any changes in SAGE tour advertised process.
